A few may wander, but many will remain in The
Constant Search for Knowledge. Never a goal
was too high, that the Senior Class of Saint Clair
could not reach. There have been many victories
and few defeats, but every defeat has been a vic-
tory for Saint Clair through the everlasting
achievement, spirit, and good will from all.

A favorite class receive their just reward

At last we receive our report cards! There is always that certain fear of grades, but in the end we find we have received what we have earned. Our grades may be high or they may be low, but we thoroughly appreciate the undying efforts of our teachers to install in us the desire to do our best.

Typical after-school hours find us in jeans with our cokes, candy, and books. These are happy hours, and we will long remember the friends, fun, and frivolity of these times.

Now that we have graduated and reached our various goals and left our books behind us, we can put our knowledge to use and find the success for which our teachers have prepared us.

SENIOR CLASS HISTORY

We, the Senior Class, entered Saint Clair High School as sophomores in September of 1955, and found that there was a more serious part to school life--that of choosing a course that will carry us through life.

In our sophomore year we held our first class meeting at which we elected officers and chose our colors, flower, and motto. The members of our class were now starting to participate in extra-curricular activities.

During our junior year our greatest undertaking was the Junior Prom held May 26, 1957.

The queen and king of the Prom were Judy Haverty and Peter Sekela.

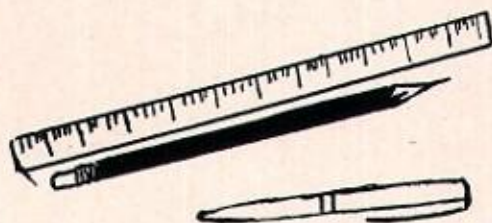

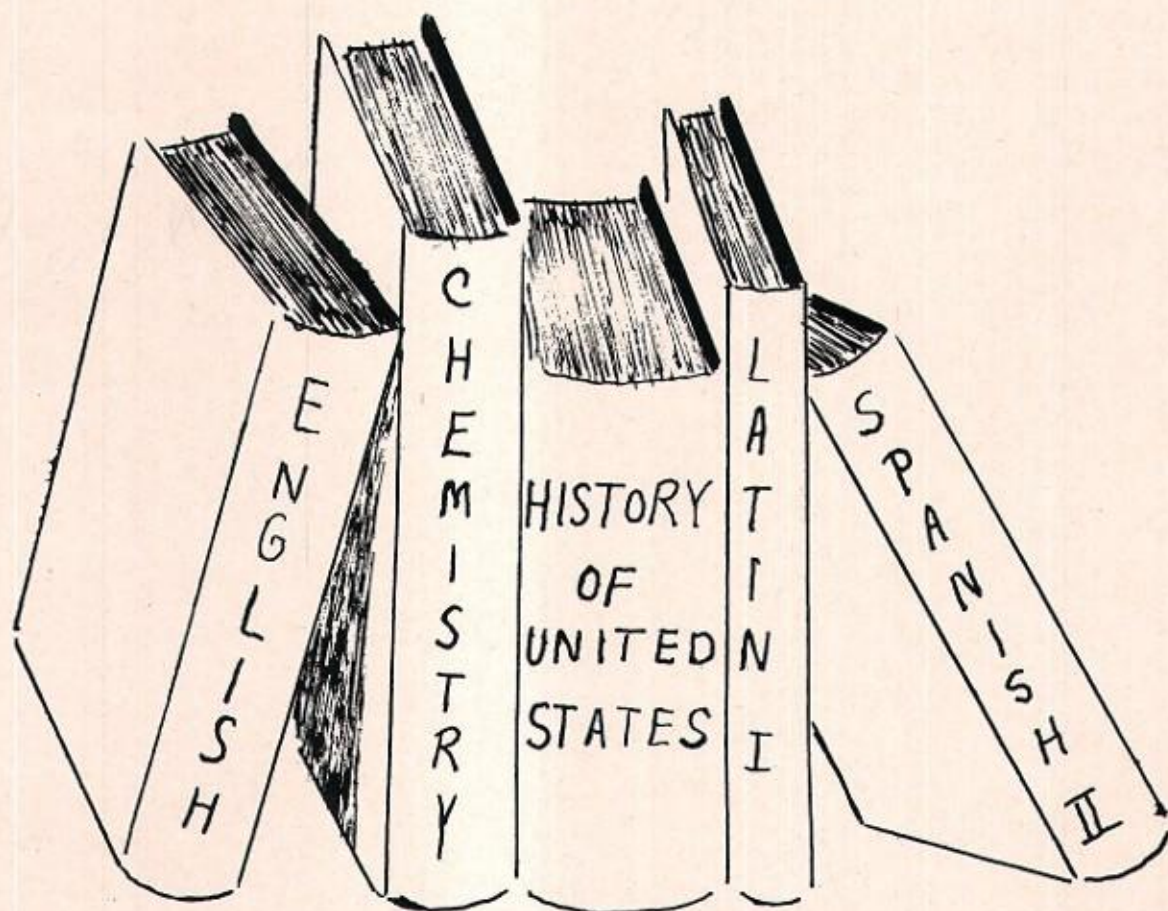

Our class held a peanut campaign and sold school jackets.

Our senior year marks the peak of our high school education. The memorable event was the Senior Hop held Thanksgiving night.

Emma Jean Honicker and Ronald Schaefer were chosen as queen and king of the Hop.

A magazine campaign was held to defray many expenses connected with graduation.

We wish to thank our advisors, Miss Flaherty and Mr. Arnout, and all the faculty who helped make our education possible.

CLASS SONG

TUNE: HE

WORDS BY: JANICE JENNINGS

When we say goodbye to all our classmates dear,
All our teachers, friends, the things we hold so near
Soon will be the memories that we'll recall
Joys that we have shared as all the years went by;
Since our school days now are ending Saint Clair High,
We will bid farewell with a sad parting sigh;
Oh, our Alma Mater dear, our thoughts will be always
of you, always of you.

We are grateful to our teachers who are true,
Under whose great guidance we have learned our rule,
Now our work is done and our goal is won
Our hearts to thee we raise in parting song;
Graduation day is here our fun is past,
Teachers, classes, books, the halls we've passed so long,
To our fun, our songs, and games we say goodbye,
Farewell to you, Saint Clair High.

LETTER TO THE NEXT EDITOR

When your publisher howls for copy,
and your staff is all down with the flu,
The photographer cries, "Sun or no pictures,"
and everyone's screaming at you.

When nobody's paid his subscription,
and the publisher wants cash in advance,
When your contract reads "Forty-six hundred,"
and the business staff says, "Not a chance."

When the seniors find grinds are a nuisance,
and decide not to write any more---
My advice is--pray, don't be downhearted,
Just remember its happened before.

So demand all your copy by August,
and all of your pictures by fall,
and if you don't get them till April,
Why, be thankful you got them at all.

Joan Grief
